Situated Chaos working on 7"EP for their own label, I don't remember the name, Mint something, I think. Recording will be at the end of January at DC's prestigious 'Inner Ear' studios. Producing will be Tom Lyle, longtime ex-I guitarist.

Speaking of Gov't Issue, Dutch East will be releasing a live LP, recorded in 1962! Seepers.

Local Newz, last few months:

Squat or Rot Records has been busy as of late, with a Word Made Flesh 7"EP (w/sae ex-APPLE)+ Squat or Rot comp. 7"EP #2, with Insurgence, Malachi Krunch, Jesus Christ, Yuppicide + The Apostates. S. or R. - PO Box 20012 - Tompkins Sq. Sta - NY, NY - 10010. $3 ppd each. Gossip Quota: I don't think we detest each other as we used to.

Speaking of Yuppicide, their 7"EP came out on Evac Records (Evac #2). 1500 copies. Sounds good. Nice cover. Caroline - Ick.

Killing Time broke up. Gun pulled on CBGB's owner, Hilly Krystal, at last show. So much for shows there. Anthony now singing for Rest In Pieces.

Radicts have a new 7" coming out soon. (Go! - Why satire?)

Donny the Punk - out of jail. Working on book + various projects.

Jon 'Big Mouth' Hiltz now playing drums for Born Against. Still an annoying person. Not a bad drummer. BA 5-song 7"EP is out, on Vermiform. Not as completely amazing as their demo, but would that have been possible? Vermiform - PO Box 1145 - Cooper Station. NY, NY - 10276. It's $3 ppd, + the Rorschach LP is also available, probably $6 or $7 ppd. (Ugh.)

Chuck Treece working on Solo LP for maybe!

Citizen's Arrest have finished recording their LP. The 7"EP is sold out. Hopefully will be repressed soon. Wardance is also putting out a 10" comp of all ABC-NO-R 10 bands, with a booklet with pages by many ABC notables (Yeah, I got a page. You know it.)

Still don't like Amy Nausea's voice. Don't like Amy, either. Oh well.

Disciplinary Action, from Long Island are putting out a 7"EP probably on Pavement Records, run by Tyler (ex-Kingfish Records) + Greg (of Go! fame). They have other vinyl in the works, too, + they book some shows at Scandals in Wantaugh, LI. Tyler, also, has quickly growing hair, developing one of those annoying little slicked-back-ponytail type things that everyone hates anyway but noone says anything, y'know.

SFA recording new 7"EP for Evac, + doing some stuff for comps, including a new version of The A-train" LP on De Milo Records still not out yet.

Also not out yet, on Revelation, is the Burn 7"EP, recorded in May + the Supertouch LP, recorded in April. I guess these things take time...

Jeff Spaz, from Seizure, is working on a 7"EP comp of S. American bands.

Other recent 7"EP comps include:

"Forever" - with Burn, CA, Born Against, Rorschach + Turning Point (best part - Gavin yelling.)

"Rebilding" - with GB, Turning Point, Burn and NO Escape. It's a benefit trans-species unlimited. Sean / Vegan Reich is thanked on the thanks list. No thanks.

"HC-East Meets West" w/SOA, Killing Time + Vision (East) + 3 West Coast bands. I haven't heard it, but the first 2 in the series were pretty cool.

"More Songs About Plants and Trees" - An Ecologically based comp 7"EP on Allied Recordings run by Crucial dude John Yates. Antischism sound like a bassier Filth. Nausea - actually, I don't like either singers. Cringer's too Poppy for me, and I like Ann Rad. The Lookouts sound like Joe Jackson a bit, maybe with more volume. Graphics are great, as usual, and I think the point is made. $3 to: Allied - PO Box 460683 - SF, CA - 94146.

Coming to ABC-NO-R 10 in late March: Extreme Noise Terror

Neil + guitarist, Todd, of Jesus Christ, left the band + are now doing a new band.

Oh boyoh boyoh boy.

Ted Leo leaves Animal Crackers. Jon Reede now sings. Will be recording an EP.

Relatedly, Nun Rape had a re-union show, playing with Animal Crackers, Big Out Society + No Escape at the ABC-NO-R 10 1-year Anniversary show.

No Escape, by the way, is Tim Bailing Point's band, they have a demo out for $2 ppd: 3229 West Ave. Ocean City, NJ - 08226. Booking: 609-399-5922.

Tape Trader: Phil L. 908 Constitution Hofstra U. - Box 1003 Hempstead, NY-11551.

Zack Serone, ex-Product 19, have a new band, Puzzlehead, with Ted Leo (ex-CA + Animal Crackers) on bass, + Brett + Brian, who I don't know. They have a 7"EP out on Next Generation Records - 5 White Oak Dr. Colts Neck, NJ - 07722. First 100 copies on black vinyl w/special cover. Other 900 on clear vinyl with artsy cover. Pretty good.

Ol' buddy, ol' pal Jim Hatle is starting a record label + is getting ready to release the 3rd Column LP, finally, in response to critical acclaim and an anxious public. He's also working on a Casualties 7"EP, and a Kevin Cum 7"EP, the last group being a Long Island (strong Island) scum Rock band, as if you couldn't tell. Write Sim Nasty fun letters at: 2114 Goldback Ave - Rockaway, NY-11779.

(Careful, Norm. Krisna's watching).

Wardance also doing Rorschach 7"EP.

Fit of Anger have a new demo.

Dear Jesus #37 - good zine-interviews with Ne + Supertouch, MRR, Seth Tobocman, Some Activities + a Born Against 7" single. Good graphics + printing. Only $2 ppd. Same address as Vermiform.

Sick of It All doing a new 7" Ltd. Edition, only 5000. out soon.

Inward Monitor flexi cancelled. No news on next issue.

If you want your record sold at ABC-NO-R 10, contact Esneider with wholesale price. Also, bother him about the Huasipungo demo out shortly. Ask him for flyers, send him interviews... fill up his day: Esneider 80-50 Baxter Ave #125 Elmhurst, NY-11373

Zines:

- Flipside #69 - $2. (ppd?) - Still rather boring, but it has it's moments. This issue contains lots of interviews, including Chumbawumba, Steffe, Angry Samoans + Eve Libertine. PO Box 363 - Whittier, CA - 90608. It also comes with a free Butt Cream Mood flexi which I think is good.
- Slug + Lettuce #18 - some stamps, donations accepted. Still totally crucial, hasn't changed much. Punk + HC bits + reviews + pics. Christine S+L - PO Box 2067. Peter Stuyvesant Sta - NY, NY - 10009 - 8914.
- Mindset #3 - Mindset #1 + #2 had teeth. This makes some ok points + is, at times, interesting, but it better change, 'cos it's going nowhere. Fake record label list is great. Send #1. 305 Haywood Dr. - Paramus, NJ - 07652.
